

Workshop for doctoral students 2025/2026

1. Session N 01/ **Date:**
2. Student's Name:
3. Level: A2
4. Date/Place of Birth:
5. Faculty:
6. Department:
7. Institution:

Workshop for doctoral students 2025/2026

Assignment

Make a short presentation (10 minutes) about **one (1) topic**:

3. **Family Traditions Around the World**
4. **Transportation in My City**
5. **Stress During Exams**

At the end of your presentation, you will answer **2–3 simple questions** from your teacher or classmates.

How to Prepare Your Talk

1. Choose Your Topic

Pick **one topic** and think about the most interesting ideas you want to share.

2. Organise Your Talk

- **Introduction (1–2 minutes):**

Say your name, introduce your topic, and explain why you chose it.

- **Main Part (5–6 minutes):**

Talk about **2–3 main points**. Give **examples, details, or comparisons**.

Example: family traditions in Algeria vs. another country / different types of transport and their problems / why students feel stressed during exams and how to manage it.

- **Conclusion (2–3 minutes)**

3. Language and Delivery

- Use **short but complete sentences**.
- Try to use **linking words**: first, next, finally, in my opinion, for example, on the other hand.
- Speak slowly, clearly, and confidently.

Workshop for doctoral students 2025/2026

- Use **your own words and ideas**.

4. Time Management

- Presentation: **8–10 minutes maximum**.
- Questions: **2–3 minutes**.
- Practice before the test to respect the time.

After the Presentation

Write a short summary of your presentation and give it to your teacher.

Presentation Summary (write in the document):

1. **Topic**

.....

2. **Main Points**

-
-
-

3. **Examples Used**

.....
.....

4. **Conclusion / Final Message**
