

National Conference on Automation, Robotics, Artificial Intelligence, and Electrical Engineering NCARAI2E'26

The Laboratory of Applied Automatic (LAA) is organizing the National Conference on Automation, Robotics, Artificial Intelligence and Electrical Engineering (NCARAI2E 2026), which will take place at the Faculty of Hydrocarbons and Chemistry (FHC), M'Hamed Bougara University of Boumerdes (UMBB), Algeria, on **October 14, 2026.**

CALL FOR PAPERS

The conference aims to bring together researchers, academics, students, and industry professionals to present and discuss recent advances in automation, robotics, artificial intelligence, and electrical engineering. It provides a platform for sharing innovative ideas, research results, and practical experiences in intelligent and advanced engineering systems.

Topics

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, survey works and industrial experiences that describe significant advances in, but are not limited to, the following areas:

- Automation and Control Systems
- Robotics
- Electrical Engineering

Paper Submission

Authors are invited to submit original abstracts written in English. Scan QR code to submit your abstract.

Honorary General Chairs

Pr. ABDELBAKI
Nouredine, Rector of
University of Boumerdes
Pr. HAMADA Boudjemaa,
Dean of the FHC

General Chairs

Pr. ACHELI Dalila
Dr. LACHEKHAB Fadhila
Dr. KHEBLI Abdelmalek

Important Dates

Submission Deadline

September 15, 2026

Notification of Acceptance

October 08, 2026

Conference Date

October 14, 2026

Registration Fees

On-site Attendance

Standard	6000
Student	4000
Industrial	10000

Online Attendance

Standard	4000
Student	2500
Industrial	6000
